Winona State University

132nd Commencement

Saturday, May 30, 1992
Memorial Hall - McCown Gymnasium

From the President

Graduation is a beginning as well as an ending. It is a celebration of the ending of a successful career of study. At the same time it is a ceremony marking the beginning of a new stage in your life.

As an ending, graduation is a time for reflection on professors, fellow students, tests and good times experienced while working to achieve personal goals.

As a beginning, commencement, literally, is a time to commence living. It is a time to set new personal goals for even higher achievement.

Franklin D. Roosevelt said, "Never have we had so little time in which to do so much." That is indeed true. This day of celebration represents the beginning of a new and exciting period in the lives of our graduates.

With the excitement comes a sense of responsibility. Personal choices seem, and are, unlimited. We must all consider the choices we make and how they will affect ourselves, those around us, and, perhaps more importantly, those that will follow.

I join the faculty and staff of Winona State University in offering congratulations to the graduating class of 1992 and best wishes for the future.

A handwritten signature in dark ink, appearing to read "Darrell W. Krueger". The signature is fluid and cursive, with the first name being the most prominent.

Darrell W. Krueger
President

Winona State University

Winona State University's history reaches back to 1858 when the first Minnesota State Legislature passed a bill establishing normal schools "to prepare teachers for the common schools of the state."

In 1859 a legislative board agreed to establish the first normal school at Winona, making it the first tax-supported school west of the Mississippi River dedicated to training teachers for the new frontier. The citizens of Winona reacted quickly to support the school and donated over \$7,000 in money and land.

In 1860 classes began in a building provided by agreement with the city of Winona. The first "commencement" was in June, 1861 and was the culmination of the mission of the institution - the preparation of teachers.

Since then the school has continually grown and updated its goals to meet new educational needs. In 1921 the State Normal School became Winona State Teachers College and was authorized to grant the bachelor's degree. Another name change, to Winona State College in 1957, reflected an increased mission that included the addition of the bachelor of arts, master of science in education and associate in arts degrees. In 1975 the school received full university status.

Today, WSU is structured into five colleges: Business, Education, Liberal Arts, Nursing and Health Sciences, and Science and Engineering. It is part of the Minnesota State University System which operates seven universities in the state and a branch campus in Akita, Japan.

WSU enrollment, including the Winona campus and the WSU-Rochester Center, totals approximately

7,300. Nearly 3,000 additional residents of southeastern Minnesota are served through the university's adult education and extension programs.

The undergraduate program at WSU offers studies in more than 80 academic areas. Eighteen graduate programs are also offered.

As the 14th decade of service begins at Winona State, there is a renewed sense of excitement for the future. The university's 13th president, Darrell Krueger, operates with an especially keen vision of what quality education should be for the students of the 1990s.

"Active Learning Environments" is a new focus for the university, emphasizing the importance of student/faculty contact on learning projects. This concept is embodied in many centers at WSU including the Small Business Institute, the Composite Materials Testing Center (COMTEC), the performing arts, and others.

Stark Hall, the new health and applied sciences building, will house the College of Nursing and the Miller Brothers School of Engineering which includes the composite materials engineering program. It is scheduled for opening in fall, 1992.

Teaching, research, and service are the focal points of Winona State University's mission for the citizens of southeastern Minnesota.

Those points are considered with a backward glance at more than 130 years of distinction and an eye to the future. This is in keeping with the theme for the Minnesota State University System, "Building on Quality."

ALMA MATER (audience standing)	"Hail! Winona" by Charlotte Chorpenning
Led by:	Kären Button WSU Senior Music Major

HAIL! WINONA

*Lo, in Mississippi's waters,
Blue the eternal sky;
In our hearts, O Alma Mater,
Clear thy spirit high!*

Chorus

*Lift the chorus
Send it ringing
Far o'er hill and vale!
Hail to thee, O Alma Mater!
Hail, Winona, hail!*

*Noble hills watch o'er the valley
Where thy dwelling lies;
Steadfast hearts, O Alma Mater,
Guard thy destinies.
(Repeat Chorus)*

*Ever shall tomorrow better
What today hath won;
Lead thy children, Alma Mater,
On, forever on!
(Repeat Chorus)*

RECESSIONAL "Proud Heritage" by William Latham

RECEPTION IMMEDIATELY FOLLOWING THE CEREMONY

Commencement Processional Marshals

Carrying the processional banners are the top ranking juniors in their respective colleges. The highest ranking junior overall carries the Winona State University banner. The 1992 commencement marshals are:

Todd Dittrich, accounting major, Rollingstone, Minn. — University banner

Carla Weller, finance major, Coon Rapids, Minn. — College of Business banner

Tammy Beranek, exercise science major, Hokah, Minn. — College of Education banner

Jennifer Holck, psychology major, Goodhue, Minn. — College of Liberal Arts banner

Sarah Kuisle, nursing major, Rochester, Minn. — College of Nursing and Health Sciences banner

Kevin Reutzel, composite materials engineering major, Winona, Minn. — College of Science and Engineering banner

ACKNOWLEDGEMENTS

Special thanks to:

WSU Student Senate and the Inter-Residence Hall Council
for the flowers for commencement

WSU Alumni Society for providing
lapel pins to the graduates

The many WSU students
who served as ushers for commencement

1992 Commencement Speakers

Steven Carswell

Steven Carswell, from Brooklyn, N.Y., is graduating with a bachelor of science degree, majoring in paralegal: multi-legal systems.

He was president of the WSU Student Senate during the 1990-91 academic year, is 1991-92 president of the WSU Black Cultural Awareness Association and is a columnist for the student newspaper, *The Winonan*. He was recently elected to be State Chair of the Minnesota State University Student Association (MSUSA) for 1992-93.

Carswell plans to move to the Twin Cities after graduation and continue his education with graduate courses in business at Metropolitan State University.

Dee Long

Dee Long was elected to the Minnesota House of Representatives in 1980 representing District 59A in Minneapolis.

Re-elected five times, Long has served as Chair of the House Tax Committee, and as a member on several House Committees, and joint House/Senate Commissions. She was elected Majority Leader in 1989 and served in that capacity until Jan. 1992 when she was elected Speaker of the House.

Long has received many awards for her environmental and conservation work.

She earned her bachelor's degree, magna cum laude, in psychology from the University of Minnesota, and has completed coursework for the Ph.D. degree in experimental psychology.

Academic Costume and Procession

The traditions of academic apparel and procession date back to as early as the 12th century when the first "modern" universities at Bologna and Paris were centers of European learning. The usual garb of the time was a long gown - a necessity for warmth in unheated buildings of that era. Scholars, generally members of church orders in those days, wore such robes as well as hoods to protect their shaved heads. Later the hood became a cape that could be pulled over the head in unpleasant weather.

Today there are three basic types of gowns and hoods. The bachelor's gown has pointed sleeves and is designed to be worn closed at the front. The master's gown is designed with an oblong sleeve, open at the wrist, and with an arc cut away at the front of the sleeve. It may be worn either open or closed. The doctoral gown is of a full design with voluminous bell sleeves, and it also may be worn open or closed.

The hoods worn by those who hold a master's degree are lined with the official color of the institution awarding the degree. Graduates of WSU receive a hood lined with purple and white. Hoods on the WSU faculty and administration show the colors of the institution where their degrees were obtained. The binding or edging of the hood is silk or velvet and the color indicates the subject area or discipline as listed below.

Caps retain the traditional color of black but the tassel colors each have meaning. The gold tassels indicate the degree of bachelor of science, white is for the bachelor of arts and orange is for the bachelor of engineering. The black tassel indicates the master's and specialist degrees. Doctoral tassels are usually metallic gold.

The exceptions to this at Winona State University are the associate degrees (two-years) who wear blue gowns, caps, and tassels.

Some graduates of Winona State University also wear honor cords over the shoulder, indicating high academic standing or grade-point-average. Those graduating "cum laude" have accumulated a GPA of 3.25 to 3.49 and wear purple honor cords. "Magna cum laude" graduates have accumulated a GPA of 3.50 to 3.74 and wear honor cords of silver. Gold honor cords indicate graduating "summa cum laude" which indicates a GPA of 3.75 to 4.0.

Graduates of the University Honors Program wear a gold stole with "Honor" embroidered on it. These students also wear the GPA designation honor cords. Honors Program graduates are noted as "cum honore," "magna cum honore" or "summa cum honore."

Students who are members of the Sigma Theta Tau, Inc. International Honor Society of Nursing, Kappa Mu chapter also wear purple honor cords indicating a GPA of 3.5 or higher for graduate students and 3.2 or above for undergraduate students.

Gold double cords with tassels of blue and gold indicate students who are members of the Psi Chi, National Honor Society in Psychology and have a GPA of 3.25 or above in a psychology major or minor and a 3.0 overall GPA.

Customs of the commencement processional vary a great deal. At Winona State University, the first to enter the auditorium at the start of the ceremony is the stage party consisting of the President, guest speakers, deans of the five colleges of WSU, and others being honored such as retiring faculty who will be named faculty emeritus.

The candidates for degrees, the graduates, are next into the auditorium. The order of this processional is by colleges beginning with the College of Nursing and Health Sciences and then the College of Science and Engineering, the College of Business, the College of Education, and finally the College of Liberal Arts. Each college of graduates is led in procession by a marshal who is academically the highest ranking junior. The purple and white main WSU banner is carried by the highest ranking junior overall.

Within the individual colleges, the graduates march in order of their degree beginning with the associate degrees, then bachelor's degrees, master's degrees and, where appropriate, sixth-year and specialist degrees. WSU does not confer doctorate degrees.

Following the graduates in the processional are the faculty and administration. They enter the auditorium in the order of their seniority at WSU. The retired faculty and administration are also invited to process and enter as a separate group in a place of honor.

Some of the colors of the master's and doctoral hoods indicate the following disciplines:

Dark blue - philosophy
Light blue - education
Apricot - nursing
Drab/gray - business

Copper - economics
White - humanities/arts
Cream - social science
Silver gray - speech

Brown - fine arts
Sage - physical education
Pink - music
Crimson - journalism

Golden yellow - science
Purple - law
Citron - social work
Green - medicine

Winona State University nestled in the bluffs of the Mississippi River is not only the first of Minnesota's state universities but the first state supported teacher training institution established west of the Mississippi River. It is a regional state university with a basic mission to serve the broad educational needs of the people of Southeastern Minnesota and to such nonresidents as are attracted to the complement of programs that the university offers. Integral to its mission is the maintenance of our heritage through the preserving, extending and disseminating of knowledge. It seeks to enhance a love of learning in an atmosphere that promotes intellectual excitement. It acknowledges the freedom of all ideas in an academic setting, thus encouraging respect for others and a sympathetic tolerance for opposing viewpoints.
